We have already completed tree trimming around the grounds, replaced the exhaust fans in the Hall bathrooms and several other small projects

Projects currently in the planning stage or under consideration include remodeling the Hall and Church bathrooms, installing a video link between the Church and Rectory, sprucing up the garden in front of the Office, replacing our sign on S. Novato Blvd. and possibly adding a small playground and family gathering area beside the Hall.

The Buildings and Grounds Committee is trying to be responsive to the needs of the Parish while positioning us for the next 50 years. If you see things that need to be repaired or upgraded, please let a member of the committee know or send a note to the Parish Office.

Thank you for your understanding and patience as we work together to make these positive changes at our parish.

-Buildings & Grounds Committee Chair Brian Barr

**Building and Grounds Update** — Things are starting to get busy around St. Anthony's. This month we will start painting the church exterior, the Hall exterior trim, the black railings around the patio and the Rectory front door. We will also start to replace much of the badly rusted wrought iron fencing. In February we will replace the concrete stairs in front of the Church, eliminating a potential safety hazard and improving the look of our patio area.

The Community Life Committee invites you to be a part of our new Parish Photo directory celebrating St. Anthony's 50th Anniversary in 2018. It has been quite a while since our last directory was printed. As you look around each week, you will notice that we have many new families; there have been weddings, babies, and kids who are young adults now. We are a changing Parish family, and a new photo directory will help us capture these changes. Everyone will get a free 8x10 family portrait and a free copy of the photo directory. Buying any of the family photos is optional. The week of February 12th-17th pictures will be taken in the hall. Please visit our parish website at [www.stanthonynovato.org](http://www.stanthonynovato.org) for details including how to sign-up. Our directory won't be complete without you! Please sign-up today!
