		11 am	† Francisco Ruiz

B. We would love to hear your thoughts and ideas about possibly adding a small playground and family gathering area beside the Hall. Ideas include a play structure, a small outdoor basketball/volleyball court and an adult sitting area.

C. Often the first introduction to St. Anthony's is at the Parish Office. Since first impressions can be critical, we would like to enhance both the exterior and interior of the Office. We have recently re-stained and finished the exterior door and will be freshening the garden in front of the office by removing some small trees, re-sodding the lawn, and replacing some of the small shrubs. Inside we have already painted the small conference room and would like to replace the badly soiled and worn flooring in the Parish Office.

D. The 35 year old zoned thermostat system that controls heat in the Rectory is failing and needs to be replaced.

The committee would like to gather a list of names of Parishioners who would be willing to lend a hand from time to time with small projects. When we identify something that needs to be done, an email would be sent out to seek interested individuals who have the needed skill and time to volunteer. If you are interested, please notify the Parish Office and we will place you on the list. Thank you.

~Brian Barr, Chair, Buildings & Grounds

**BUILDINGS & GROUNDS UPDATE —**

For the past few months we have focused on projects outside of our buildings. It is our intention to put more effort inside the Church and Hall in the coming year. Ideas for future projects include:

A. Planning continues for remodeling the Hall and Church bathrooms. Funding is available for this significant project but we have to review bids and more importantly find an opening in the busy Parish schedule when we can close these facilities for 4-6 weeks. Right now we are aiming for late summer to early fall.
